

Ahmed Essam Zeater

Civil Engineer

☎ 01002035197 ✉ zytrahmed377@gmail.com 📍 Damanhour, El Beheira
01146488416

OBJECTIVE

A highly motivated and dedicated civil engineer with a proven track record of success in the construction industry. Skilled in all aspects of construction, including execution and receipt of items, reading and design of measurements, and extractions. Recently graduated from Al Beheira Institute of Engineering, BHI47 and completed 5 months of on-site training. Completed additional courses in finishing work. Strong problem-solving skills, attention to detail, and ability to work in a team environment. Committed to the highest level of safety and quality control.

EXPERIENCE

Completed a 5-month training program in various construction sites

Adept in performing surveying tasks, preparing and reviewing estimates and designs

Skilled in project management and proficient in using engineering software.

SKILLS

- Proficient in performing site inspections, receiving and reviewing submittals, and designing and reading blueprints
- Trained in construction finishing.
- Good knowledge of arithmetics, algebra, geometry, and trigonometry.
- Strong ability to read and interpret engineering drawings and specifications.
- Strong ability to communicate effectively with clients, contractors, and other stakeholders
- Strong knowledge in construction management and execution.
- Knowledge in AutoCAD 2D and 3D modeling.
- Strong computer skills, including proficiency in Microsoft Office Suite (Word, Excel, PowerPoint)

EDUCATION

- B.Sc. in Civil Engineering from El Beheira Institute of Engineering, Graduated in 2021.
- Completed various construction and finishing courses.

TRAINING

- Completed 5 months of on-site training in various construction projects
- Completed courses in finishing works, including setting out and receiving items, readings and measurements, and designing of specifications and bill of quantities.

Certifications

- AutoCAD professional certification.
- Finishing Works
- Procurement
- Measurement and Quantification
- Comprehensive technical office Course

Personal qualities

- Strong attention to detail
- Strong organizational and time management skills
- Strong problem-solving and analytical abilities
- Highly adaptable and able to learn quickly
