ABOUT ME

My name is Mohamed Elsayed Khalil.

I have developed expertise in designing and site engineering, particularly in water resource management. I graduated from "Jawaharlal Nehru Technical University (JNTU)" in India where I gained a diverse skill set in areas such as project management, surveying, and structural analysis.

Through my previous 2-year work experience, I have also gained valuable practical experience in managing construction projects and ensuring compliance with engineering standards and regulations. I am passionate about using my skills and knowledge to solve complex problems and contribute meaningfully to the engineering profession.

As a highly motivated Civil Engineer with a keen interest in designing, site engineering, and water resource management, I am seeking opportunities to apply my skills and make significant contributions in my field. I am actively seeking job opportunities that would enable me to utilize my engineering knowledge and practical experience in managing construction projects, ensuring regulatory compliance, and delivering innovative solutions. I look forward to starting my career in a challenging and dynamic environment where I can grow and develop professionally.

WORK EXPERIENCE

Elnoby Company

Mostafa Elnoby [01/09/2022 – Current]

City: Kafrelshikh

Country: Egypt

I am working as Civil Engineer and project Manager.

EDUCATION AND TRAINING

Bachelor of Engineering Technology of Civil Engineering

Jawaharlal Nehru Technological University [01/07/2017 – 30/07/2021]

Address: Hyderabad (India)

Field(s) of study: Civil Engineering

Final grade: First Class

Internship

I did internship at SkyDome constructions.

Address: Hyderabad (India)

Traning

I trained in Aditya construction company.

Address: Hyderabad (India)

Designing course

cantercadd

Address: Hyderabad (India)

Traning

Sinoma Company for Engineering and Construction [01/07/2022 – 01/09/2022]

Address: Kafrelshikh, Egypt, KAFRELSHIKH (Egypt)

LANGUAGE SKILLS

Mother tongue(s): **Arabic**

Other language(s):

English

LISTENING B2 READING B2 WRITING B2

SPOKEN PRODUCTION B2 SPOKEN INTERACTION B2

German

LISTENING B1 READING B1 WRITING B1

SPOKEN PRODUCTION B1 SPOKEN INTERACTION B1

DIGITAL SKILLS

Technical Skills

AutoCAD Design Software / ETABS software / Staad Pro Software / Microsoft Office / Technical Troubleshooting / •
Revit Structure Software

Soft skills

Creativity / Positivity and optimism / Efficient multitasking skills / Decision making / Time Management.

DRIVING LICENCE

Driving Licence: A

Driving Licence: B

CREATIVE WORKS

Description

- Integrated known material stress factors into construction planning to support safe and lasting buildings and infrastructure.
- Developed and implemented solutions to maintain and improve client infrastructure at existing sites.
- Completed information processing tasks using engineering software and statistical packages and programs to encode data and perform data entry and retrieval.

· Monitored execution of contract work for compliance with design plans and specifications.

· Attended industry training, association meetings, and topical seminars to enhance job knowledge and skills.

Liaised with civil technicians to prepare and update maps, drawings, and blueprints using manual and computer-assisted methods
