### PROFILE

Completed Military Service

My motto in life has always been that I am a man on a mission and with a set vision. I am confident that I have so many experiences in my field, especially for someone my age. Adapted to have technical discussions with clients, time management and a vast social network. Experienced in problem-solving. In addition, I am enthusiastic and committed, willing to travel abroad to take an overseas experience role.

### EXPERIENCE

#### Site Engineer, ELTawheed Contracting

3/2023 – Present

New Mansoura, EGYPT

Civil inspection and supervision on construction works starting from site preparation, planning, excavation, reinforced concrete works and block works. Study new drawing projects and attend meetings.

#### DATA ANALYST, LINDIN CONCEPT

8/2021 – 11/2021

REMOTE, EGYPT

Based in Germany and HQ in Dubai, UAE. With the direct contact with the owner and stakeholders, I was reviewing and gathering data to identify key insights for their newly developed website, selling and delivering furniture all around Europe.

#### INTERN & TRAINEE, CARRINGTON GROUP

6/2018 – 8/2019

NORTHERN CYPRUS, TURKEY

I was working with the design team in constructing the most luxurious apartments and villas in Northern Cyprus, as designing simple or early designs of construction, or fixing numerical values in a plan or a design before submitting it to a consultant.

#### RESEARCH ASSISTANT, TECHNISCHE UNIVERSITÄT DRESDEN

2017 – 2018

REMOTE, GERMANY

Completing a research project on long-term mechanical properties of cellulose fiber-reinforced cement mortar with diatomite.

#### RESEARCH ASSISTANT, MIDDLE EAST TECHNICAL UNIVERSITY

2016 – 2017

ANKARA, TURKEY

Completing a research project on regional Frequency Analysis of Precipitation Using Time Series Clustering Approaches.

#### INTERN, AL DAR AL ARABIA

7/2018 – 10/2018

MAKKAH, SAUDI ARABIA

I was with the design and planning team, taking responsibility for designing new implementations as the owner has been asking, which then alters the scheduling of the project.

#### INTERN, AL DAR AL ARABIA

7/2017 – 10/2017

MAKKAH, SAUDI ARABIA

I was a site engineer taking full responsibility for specific areas and certain things on-site; the site was a hotel consisting of over 30 floors.

#### TRAINEE, MIMAR FOR CONSTRUCTION TOOLS & TRADING CO. LTD

6/2015 – 9/2015

JEDDAH, SAUDI ARABIA

I was with the sales team selling to construction sites construction tools and equipment specified for their requirements.
