## Summary

A junior civil engineer working as a site engineer for almost a year trying to gain a lot of experience and enhance my skills to build a solid career in the field of civil engineering.

## Education

Bachelor of science: **Civil Engineering – 2020-Alexandria University, Egypt.**

Degree: **Good (72.35 %).**

Graduation Project: **Reinforced concrete Project (grade: Excellent).**

## Experience

**CPFMC – El Obour, Al Qalyubiyah - Site Engineer .**

**15/4/2022 \_ Present.**

- Taking the responsibility of controlling executive engineers, workers and equipment to adhere to the project timeline.
- Trying to achieve the best control of providing materials and equipment, and avoiding any delay.
- Helping in making financial extracts for subcontractors.
- Raised to be an executive director of eighteen buildings of social housing.
- Assisted in the implementation of the concrete structure.
- Helped in compacting soil and performing load tests.
- Helped in the surveying operations of the foundation.

**ELGhoneimy for construction - Site Engineer Trainee .**

**10/11/2020 \_ 15/1/2021.**

**Valore Compound Smouha, Alexandria.**

- Witnessed the retaining soil system (secant pile system with struts)
- Experienced dewatering system and performed compressive strength test on concrete blocks.
- Participate in raft construction (concrete casting and reinforcement details).

**New Market of AL Soghna Site in AL Buhayrah – Site Engineer Trainee.**

**20/7/2018 to 20/8/2018.**

- Reading the foundation drawings and understanding the concept of construction.
- Helped in performing the drilling works.
- Learned how to handle the columns before casting and check out the spacing between them.
- Learned how to read the reinforcement drawings for (slabs, beams, stairs, foundation).
- Witnessed casting by pumps and how to do the compaction properly.

## Computer Software

- AutoCAD
- AutoCAD Structural detailing
- CSI Software (SAP2000-ETABS-SAFE)
- Revit
- Microsoft office (Word – Excel)

## Languages

- Arabic - Native
- English - B2

## Personal Information

Military Status: Completed.

Marital Status: Single.
