## SKILLS

Leadership	Advanced
Design Drawings	Intermediate
Project management	Advanced
Primavera P6	Intermediate
Csi Etabs	Intermediate
Computer Skills	Expert
Time Management and Deadlines	Advanced
AutoCAD	Advanced
Cost Estimates	Intermediate
Problem-solving	Advanced
Technical Reports	Advanced
Teamwork	Expert
Microsoft Office	Advanced

## LANGUAGES

English	Intermediate
Arabic	Native

## CERTIFICATES

**Diploma in design of concrete structures**  
online  
Present  
I learned the design of concrete structures and how to use engineering programs to extract the best structural design for the building

**Project management diploma**  
Civil Academy  
01/2023 - Present

# Raed Tharwat

Civil Engineer

## EXPERIENCE

**Civil Site Engineer**  
Remak Group ↗  
01/2020 - 12/2022

- I trained on Managed daily operations of site personnel, ensuring safety protocols were followed.
- I trained on Managed and directed construction operations at project sites.
- I trained on Verified engineering plan measurements and calculated material needs for projects.
- I trained on Met with suppliers and vendors to negotiate contract terms and prices.
- I trained on To face new challenges.
- I trained on Work effectively under pressure.
- I trained on Monitored the progress of construction activities on a daily basis to ensure timely completion of projects.
- I trained on Prepared cost estimates and project budgets to meet profit goals. Prepared cost estimates for proposed projects based on labor costs.

## EDUCATION

**Civil Engineer**  
MADINA HIGHER INSTITUTE FOR ENGINEERING AND TECHNOLOGY  
09/2017 - 07/2023  
Bachelor of Civil Engineering

- Graduation Year : 2023
- overall Grade : Good
- Graduation Project : Reinforced concrete project
- Grade Of Project : very good
