PROJECTS

HERITAGE HANDICRAFT RIVIVAL CENTER:

IN WADY EL NATRON ,EGYPT

-project Surface: 60000 m²

-Software: AUTOCAD, REVIT, LUMION, PHOTOSHOP

-Year: 2023

The project aim to provide a place to teach handicrafts for all ages, providing job opportunities for distinguished graduates, and displaying the products for sale in stores.

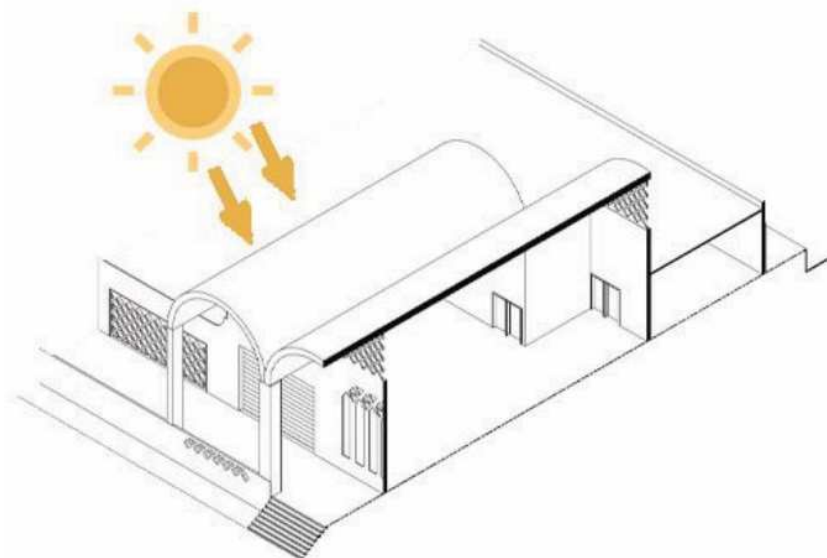

In addition to the fact that the project can attract tourists to the region to see the handicrafts products and the process of making them .

project Consists of: WORKSHOP building ,
Handicraft school ,
Exhibition building ,
Conference center ,
Stores ,
Administrative building ,
Entertainment building.

Sustainability elements:

Openings in the VAULTS provide natural lighting and ventilation.

The VAULTS provides shade on itself, which reduces the temperature inside the building.
