

Abanoub Naser

Civil Engineer

I am a civil engineer.

I am a graduate from Zagazig University's civil engineering program. I have completed my Bachelor's degree in 2023 with a grade of very good with honors. I have completed my three-unit concrete graduation project, which includes a high rise building, elevated tank and frame using different codes (ECP-BSI) with a grade of excellent.

Seeking a challenging opportunity in reputable company where my skills, experience and academic background can be implemented, utilized and professionally developed. And take the company to advanced levels during my position. And contribute to innovative engineering projects.
